2021 COVID CUP RULES AND EXPLANATIONS

- COVID differences on the golf course.
    - With the cup liners currently in use the ball must stay within the cup liner to be considered holed. If a ball goes into the cup and pops out, the ball is not considered holed out.
    - With no rakes in sand bunkers you may take relief under the following conditions
        - Before taking relief a player should ask an opponent playing partner for permission to move the ball
        - The ball must be in a disturbed area of the bunker, i.e., a foot print or sand divot, or an un-raked, unmaintained sprinkler run-off
        - Relief may be taken at the nearest point of relief, no closer to the hole.
        - If there is no point of relief, in the bunker, no closer to the hole, you may lift your ball, smooth the disturbed area with your foot and replace the ball as close to the original position as possible
        - All balls in a bunker in a non-disturbed area of the bunker should be played as it lies.
- Thursday 9 hole Two Man Best Ball - Championship Course
    - Each two man team will post one gross Best Ball Score
- Thursday 9 hole Two Man "Chapman" - Championship Course
    - Each Player will hit a tee shot. For the 2nd shot, Player A then hits Player B's ball and Player B hits Player A's ball. For the 3rd shot it is decided which ball is best and the Player who did not hit it plays the 3rd shot and it is alternate shot until hole out.
    - Each two-man team will post one gross score
- Friday 9 hole Two Man Scramble - Challenge Course
    - Normal Scramble Rules apply
    - 3 tee shot minimum per Player per Two Man Team
    - Each two man team will post one gross score
- Friday 9 hole Two Man Aggregate Score

- Each two man team will take both their gross scores and add them together for their score on that hole. I.E., if Player A scores a 3 on a hole and Player B scores a 4, their score for that hole is a 7.
