

The PVCC Men's Club is proud to announce

THE Member Guest "45" is BACK!!!!!!!

Yes, it's Back!!!!!! The "45" will take place on March 17, 18 and 19, 2022, and it promises to be bigger and better than ever!!!!!! For those who have played in the past, as well as those who have never played, we are sure you will have an amazing experience.

Entry forms can be filled out online and at the Men's Club Website or may be picked up at the Pro shop. All applications should be turned in no later than Monday January 10, 2022. At that time a list of all the players will be determined. We will still honor the Grandfather List, but it has worked out in the past that anyone who has wanted to play had the opportunity to get into the field.

Please be advised that with all the new members of the club, it promises to be a sold out field so please make sure all the applications are turned in on time.
