

PRESIDENT'S GOLF & GALA

February 2-3, 2024

FORMAT:

Each team consists of 2 men and 2 women.

Friday round is a Shamble - scoring 2 net best balls - on the Challenge Course with a shotgun beginning at noon. On each hole, after all players have hit their tee shot, the team selects the best drive and then everyone plays his/her own ball from that point for the remainder of the hole. A minimum of 2 drives is required for each player and a maximum of 6 per player. Handicap (because of the Shamble format) will be 50% of each player's handicap in order to determine low net scores on each hole.

Saturday round is a traditional four person team Scramble on the Championship Course beginning at 8:00 am. Team handicaps will be determined by 20% of lowest handicap + 15% of 2nd lowest handicap + 10% of third lowest handicap + 5% of highest handicap. A minimum of 2 drives is required for each player and there will be a maximum of 6 drives per player. The team score will be its gross score - Handicap = Net Score.
