

Final Message to the Men's Club

Gents,

It has been my honor and privilege to be the Men's Club President for the last two years. As with any organization of our size we have had our ups and downs but overall I believe it has gone well. I want to thank each and everyone of you for your support and participation over that time period.

There are many more I need to thank. I would like to thank Rod Quintero for his and the Club's support over the last two years. When we needed him and them, they were always there. That includes Chef Jovan, Debi and the F&B team. Bryan, Diane, Matt and the Proshop staff, Jake and the grounds crew who have done an absolutely outstanding job.

I need to thank my Men's Club Board:

Mike Walker - Vice President
Kevin Kellerman - Secretary
Sheldon Smith - Tournament Chairman
Mark Simpson - F&B
Don Feinberg - Membership Chairman
Neil Machlis - Treasurer
Gary Doyen - Communication Chairman
Ness Cohen - Handicap Chairman

New Board Members starting in the 2024 – 2025 Season.
New young Blood for the Board:

Jeff Chanen
Ian Stewart
Jon Kalkwarf

And Congratulations to President Elect Sheldon Smith. I believe Sheldon and the new Board have some exciting new tournaments and ideas and will do an outstanding job for you going forward.

Gents,
It has been my pleasure. Thank you.

Jim Ivy
